Received; Revised; Accepted

Abstract (18 pt) (600-800 words for all sub-topics below)

Background and Objectives: (16 pt) Briefly mention the background, rationale and objectives of the research
.....

Methodology: (16 pt) Briefly describe the methodologies, tools/techniques/methods that were used in the research
.....

Main Results: (16 pt) Briefly describe the results that were obtained following the above-mentioned objectives, with emphasis on new findings or new contributions to knowledge
.....

Conclusions: (16 pt) Briefly present the key conclusion following the stated objectives.
.....

Practical Application: Briefly mention the means to use the research results in a practical situation and/or benefits of the results to community, society, industry, etc.
.....

Keywords: 3-5 words,,
